**RENEWED PETITION UNDER 37C.F.R. 1.137 (b)**

Sir:

In response to the Decision on the Petition under 37CFR 1.137(b), mailed on December 11, 2006, Applicant submits, as requested, the instant Renewed Petition under 37CFR 1.137(b). Applicant hereby again petitions to revive the above-referenced case. The proposed responses were earlier with the Petition of August 2, 2006. In response to the Examiner's objection to the drawings of Figures 7 and 13 that accompanies the Decision mailed on December 11, 2006, the revised Figures 7 and 13 are also enclosed.

Applicant states that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. § 1.37 (b) was unintentional.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

If any additional petition is required to facilitate the action requested, please consider this communication a petition or petitions therefor. The Commissioner is authorized to charge any additional fees, or credit any overpayment, to Deposit Account No. 50-2284, (Order No. ANTA-P005).

Respectfully submitted,
